

Government Rebates

The Australian Greenhouse Office awards Renewable Energy Certificates (RECs) according to how much energy each Rinnai Solar system saves compared with a conventional electric water heater. The Federal Government legislation states that RECs are applicable when a solar system is installed in a new home or replaces an existing hot water system.

HANDY HINT

You may also be eligible for State Government rebates. To assist with the eligibility and calculation of rebates, we have produced an online calculator. Simply go to www.rinnai.com.au and click on the Solar Rebate Estimator icon.

The Environment

Gas is one of the most greenhouse friendly fuel sources available. By choosing a Rinnai gas boosted Solar System you can make a difference! Gas Boosted Solar hot water has substantial benefits and assists with the reduction of our carbon footprint. Solar systems are awarded Renewable Energy Certificates (RECs) based on measured environmental savings. Even electric boosted systems show considerable savings and are highly awarded RECs. Rinnai systems lead the way being amongst the highest in the industry.

BY THE WAY

Rinnai also offer Electric boosting as an alternative to Gas boosted Systems. Ask your Rinnai Solar Specialist about the benefits of an Electric boosted system.

Warranty

Solar Hot Water Warranty		Solar Compatible Continuous Flow Water Heaters - models S20 and S26 and other models converted by Rinnai for Solar applications ^{(1) (3)}		Storage Cylinders		Solar Collectors	Components ⁽²⁾
		Heat Exchanger	All other components	Vitreous Enamel (Glass) Lined Sunmaster Range	Stainless Steel Prestige Range	Enduro Equinox Excelsior E-Frost	
Domestic Use	Parts	10 Years	3 Years ⁽⁴⁾	5 Years	10 Years	7 Years	1 Year ⁽⁴⁾
	Labour	3 Years	3 Years	3 Years	3 Years	1 Year	1 Year

(1) The continuous flow models in this column are suitable only for solar hot water applications. Any failure or service issue when installed in a non solar hot water application is not covered by warranty. (2) Components include pumps, system controllers, sensors, thermostats, valves, electric heating elements and anodes where applicable. (3) Rinnai Infinity 26 Internal, HD200i, HD200e and HD250e models can be converted for solar applications by Rinnai by order request. (4) For Victorian installations only - 5 year warranty on the solar circulating pump, solar controller and components within the continuous flow water heater in order to comply with State legislation.

Please note:

For full definitions of Domestic use, along with the full conditions and exclusions, please refer to www.rinnai.com.au. Dimensions are subject to production tolerances and may vary slightly from those given. Rinnai Australia Pty Ltd reserves the right to make modifications and change specifications without notice.
